# Day/Night Security camera

## Night Vision 32ft/10m

### BulldogCam™

One of the world's most popular yet affordable high resolution, weather resistant, day/night cameras.

The BulldogCam™ is a versatile security solution that suits both indoor and outdoor applications. Featuring a robust, durable metal casing, the camera is ideal for almost all areas. Providing clear color images during the day, the camera automatically switches to black & white mode at night, while the 9 infrared LEDs project invisible light up to 32ft (10m)!

Now, you can monitor your premises at night or keep an eye on areas such as stairwells, secluded corners or alleyways that usually have little or no light!

The Swann Bulldog Cam will be your new best friend.
