MIX'N MACHINE™ ADVANCE PROGRAMMABLE

The advance performance frozen treat mixer

The new Mix'n Machine Advance is the **first-ever programmable frozen treat mixer!** Designed for versatility, the robust Mix'n Machine Advance eliminates the guesswork for operators. With one-hand operation, 6 pre-set blending programs, end-of-cycle indicator and automatic shut off, this workhorse is the most consistent and efficient mixer on the market. From mix-in treats to thick, smooth malts and milkshakes, the Mix'n Machine Advance is perfect for high-volume ice cream shops, smoothie shops and Quick-Serve Restaurants. **Advantage: Vita-Mix.**

FOODSERVICE
