

Arena™ Hazer 3

Arena™ Hazer 3

Weight: 30.5lbs (13.8kg)

Size: 22in x 11.3in x 11in

560mm x 287mm x 280mm

Key Features

- Professional, water-based haze machine with continuous output will provide a thin or thick veil of haze for any application
- Haze output and blower speed are adjustable via DMX or the removable remote with LCD screen
- PowerCon® power connector provides a secure connection that will not come loose
- Onboard 3-pin and 5-pin DMX connectors offer great flexibility
- Triple-point safety loop system to safely fly the machine from truss
- Onboard timer system with adjustable interval and duration times (1sec – 200sec) which outputs haze when needed
- Built-in circuit breaker prevents damage to the machine due to faulty electricity
