

300 Piece Drill & Bit Super Set

Removing/re-installing drawers

To remove:

1. Pull the drawer out as far as it can go.
2. With your index fingers, push the two clips on the slide rails inwards as shown.
3. Pull the drawer and its slide rails fully out of the case.

To re-install:

1. Align the slide rails of the drawer with the tracks in the case.
2. Push the slide rails into the case. You will hear a click as the clips engage.
3. Fully push the drawer into the case.
