# AV Power Cable - 100m /330ft

## Camera Accessory

For Security Cameras

extend the cable on your security video camera easily...

Extensions for both the power and audio/video plugs are included so you can now place your video camera in the far corners of your office, home or factory up to 330ft/100m away. The Swann 330ft/100m\* power extension cable comes complete with gender changers and is compatible with any audio/video device with RCA connectors.

\*Use of extensions over 330ft/100m are not recommended as signal quality may degrade.
