

## Cassette Player and Recorder

Model 1500AV-BL

1. 500mW amplifier loud enough for up to 20 people
2. Built-in electret mic records student achievements and can't be misplaced
3. Auto-stop feature sustains life of cassette tapes
4. Rugged ABS plastic casing and handle for added durability and is safe for school use
5. 3.5mm mic & 2.5mm remote mic inputs for recording
6. Two 1/4" headphone/speaker jacks for independent study or connect a jackbox for group learning
7. Convenient 2 x 3 digit counter
8. Runs on AC/DC power for indoor/outdoor flexibility
  - Permanently attached 6' two-wire cord for safety
  - Auto Logic Control (ALC) for level audio recording
  - One year warranty for school use - unlike cassettes purchased from consumer electronics stores whose warranties would be voided if used in schools

This durable classroom cassette player / recorder can be used for independent and group listening applications. It is ideal for use in libraries and classrooms as well as for literacy groups, ELL/ELD language activities and instruction.
