Product highlights

2 SCART sockets

Enable connection to TV and other source (DVD+RW/VCR).

Dolby Digital-Bitstream out

Because Dolby Pro Logic, from the world renowned Dolby Laboratories, makes use of the way the human ear naturally processes sound, you experience superb quality 5.1 channel surround sound audio from stereo recordings

Parental lock

Channels and installation menu can be locked by PIN code

Free SCART cable

high quality SCART cable

Free-to-Air access

Channels can be received without paying a subscription or fee.

Access to Pay TV services

More digital channels available and access to top quality content

Automatic installation

A very sensitive tuner is searching the band over night for new channels with great sensitivity and speed thanks to unique Philips technology.

Euphoria User Interface

Easy navigation through the menu structure.

Electronic Program Guide

Now and next information indicates how long the current program will continue and what will be the next program
