MOBILE AUDIO

IPOD, I COMMAND YOU!

It's so cool, it even comes with a remote control. Powerful, too. The iM3c is the paper-back-sized sound solution that delivers crystal-clear sound. Just put your iPod in the dock, then press Play. iPod and iM3c will instantly obey. Fits, syncs, and charges iPod, iPod photo, iPod mini, and iPod nano players.

iM3c

iM3cBLK

#### - crystal-clear sound

From four custom-designed neodymium 28 mm Micro Drivers.

#### - surprisingly deep bass

Revolutionary MaxxBass® technology creates quality bass without a subwoofer.

**MAXXBASS®**  
MORE BASS. LESS SPACE

#### - wireless remote and built-in controls

Sit back and enjoy.

#### - built-in docking station

Provides same synchronization, data transfer, and recharging options as your iPod dock (cable not included).

#### - extra long battery life

Highly efficient Class D amplifier delivers more than 24 hours of continuous playback with four AA batteries (not included).

#### - protective carry bag

For your traveling convenience.

#### - auto shut-down

#### - convenient secondary input jack

For connection with other audio devices, including laptops, older iPods, and other MP3 players (cable included).

#### - lightweight design

Folds to close at 15 ounces and 8" wide, 1.1" deep and 5.5" high.

#### - universal power adapter

With international plug set included.
