Product highlights

Fiber Optics

Strands of optically pure glass as thin as a human hair carry digital information to your components for uncompromised sound.

Easy grip

This non-slip grip makes connecting your components easy and ergonomically comfortable.

Plug and play

Plug and play offers easy installation of components without time-consuming installations.

Audio Adapters Included

Audio adapter included for versatile application of product.

Molded plug

Molded plugs ensure secure connections between components and offer extended durability.

Flexible PVC Jacket

Flexible PVC jacket provided protection to the delicate core of the cable. It also offers extended durability and ease of installation.

Rubber strain relief

Rubber strain relief provides a secure, yet flexible juncture between the cable and the plug.

Lead-free construction

Lead-free construction of environmentally friendly materials.
