Gobble & Go™ Hippo

Assembly

- Fit a bead onto each side of the handle, as shown.

- Position the handle above the seat with the Fisher-Price logo facing the front of the hippo.
- Press and “**snap**” the handle into the two holes in the seat.

Label Decoration

- Apply the labels as shown in the illustration.
- For best results, wash your hands before applying the labels and make sure the areas to which the labels will be applied are clean and dry. Avoid repositioning a label once it has been applied.

2-in-1 Walker to Ride-On!

Early walkers can push the hippo along. As your child grows, shift the handle down to convert to a fun ride-on. As the hippo moves along, his head bobs up and down and he gobbles up blocks.
