OUTDOOR COLOUR SECURITY CAMERA

The Clearvu (CV) is SVAT's line of wired products. There are many different applications of the Clearvu and most of the Clearvu products are compatible with each other.

SVAT's Clearvu 65 is an outdoor colour camera with 15 infrared LEDs so that it can see in the dark. It is ideal for monitoring children, home, or retail outlet. The metal casing and mounting bracket were designed for durability and for style.
