

VMX Office Wireless Headset

The VMX Office is a lightweight, all purpose wireless headset ideal for the office warrior managing communication on several devices. It's low-profile design and multi-device connectivity is the ideal solution for users who appreciate great comfort and premium audio quality in any professional situation.

Features

- Up to 100 ft range.
- Multi-connectivity to a desktop phone, PC and Bluetooth-enabled mobile phone.
- Self-adjusting 3D ball joint gives the user a customized, guaranteed perfect fit.
- VoiceMax™ dual-microphone array reduces ambient noise and focuses on the frequency range of speech.
- ActiveGard™ safeguards the user's hearing from potentially dangerous spikes in receive-volume
- Compatible with Sennheiser's HSL 10 handset lifter and TCI 01 for interfacing with new electronic hook-switches
- Ships with PC cable, power adapter, USB charger, Car charger, headset and docking station
