Rev. 1 03.16.09 . Hang Tag Item #17203T

FEATURES OF ULTI-BOOM-TB

Oversized Rotation Hub - Ultimate Support's center hub, the critical adjustment point on a boom, is the largest on the market, increasing friction, and reducing any chance of slipping.

Patented Universal Mic Attachment - Top threads fit both US and metric threaded mic clips and accessories.

Ergonomic Knobs - Large knobs are easier to grasp for quick adjustment, not pinched fingers.

Premium Construction - Extruded and anodized aluminium tubing with internal glides, ensure fast, smooth and noise-free adjustment.

Heavy-Duty Counterweight - Metal counter-weight provides true balance to the boom.

Limited Lifetime Warranty - Constructed of the finest materials and backed by our award-winning customer support. For full details, exclusions and limitations as well as information on obtaining warranty service, visit www.ultimatesupport.com.

INSTRUCTIONS FOR SETTING UP THE STAND

1. Attach ULTI Boom to mic stand.
2. Loosen the oversized rotation hub to adjust boom angle up or down, then tighten oversize rotation hub.
4. Lessen the ergonomic knob to adjust boom length, then tighten ergonomic knobs.

Visit www.ultimatesupport.com to download a detailed product manual, read full warranty details and to register your warranty.
