

In-Built USB Port on either side (see inset)

Accuratus 298 USB HUB

Part Code: KYBAC298-USBBLKHY

About

The Accuratus 298 USB Hub from Ceratech combines a USB keyboard with 2 USB ports in the one package.

Simply plug it into a standard USB port and then connect your existing USB accessories right at the keyboard face.

Complete with a detachable palmrest, the 298 provides tactile keys and membrane technology to assure long term comfort.

All keys legends on the 298 are laser etched which ensures the characters remain fresh throughout the products life.

Simple, practical, effective, brilliant!

(also available in beige)
