

INVACARE® TURN-Q™ LTM LATERAL TURNING MATTRESS

The Invacare® Turn-Q™ LTM is a powered lateral turning mattress which automatically turns the user up to 30° bilaterally at preset intervals of 30, 60, or 90 minutes. The LTM reduces interface pressure below capillary closure for the treatment of stage I through stage IV pressure ulcers.

STANDARD FEATURES

- Automatic turning and static flotation modes
- Bilaterally turns patient up to 30° (depends on patient weight and body mass)
- Turn intervals 30, 60, and 90 minutes
- Power-failure mode keeps the lower mattress inflated for up to 12 hours in the event of a power failure
- Easy-to-understand, caregiver-friendly membrane control panel

INVACARE® TURN-Q™ LTM LATERAL TURNING MATTRESS

USER-FRIENDLY CONTROLS

- Power button with LED indicator displays whether the unit is in standby or operating mode
- Auto-firm with LED indicator inflates the mattress to maximum firmness to facilitate patient handling
- Patient weight adjustable from 70 - 350 lbs.
- Turning intervals of 30, 60, and 90 minutes, and a non-turning mode
- Auto-firm off will manually cancel the auto-firm mode; auto-firm mode will automatically return to normal operation if left unattended for 30 minutes or more

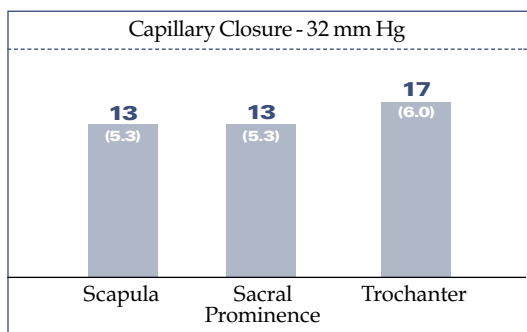

PORTABILITY

- Portable, lightweight mattress-replacement system fits most standard hospital beds
- Control unit easily attaches to top of footboard
- CPR quick-deflate handle activates rapid deflation of the mattress in approximately 30 seconds

PRESSURE RELIEF

Average pressure per pressure point for 10 subjects

() Standard deviation

*Testing completed in an independent test lab

SPECIFICATIONS

POWER	115 VAC, 60 Hz, 15 watts
DIMENSIONS	
Standard mattress	35" W x 80" L x 11" H
Power unit	20.5" W x 10.8" L x 5.6" H
WEIGHT	
Mattress	29 lbs.
Power unit	23 lbs.
Maximum patient weight	350 lbs.
SAFETY	
Code approval	UL544
Fire	CAL 106 & 117
WARRANTY	
Power unit	1-year limited
Soft goods	6-month limited
MATERIAL	
Power unit	Cast, machined aluminum
Therapy cover	200-denier ripstop nylon with waterproof coating
