

Quick Start Guide

Main Room – Radio
Frequency (RF)
Remote Control

CHOOSE A SOURCE – from the menu that appears on the LCD screen and the system will automatically turn on.

CHOOSE ANOTHER SOURCE – and the system will automatically switch on the other components.

ADJUST VOLUME – with the **VOLUME UP/DOWN** and **MUTING** buttons.

WHEN YOU'RE DONE – press the **SYSTEM OFF** button, then hit the **ALL ZONE OFF** button on the LCD screen. The entire system will shut down.

CONTROL PLAYBACK – with the buttons that appear for each source on the LCD screen.

Quick Start Guide

Remote Room – In-wall Keypad

TURN IT ON – Press the **POWER** button. The available sources will appear as a menu in the LCD Window.

CHOOSE A SOURCE – Press the button next to the source name to select the source you want. (To watch television in a remote room, please consult the Operating Instructions.)

CONTROL PLAYBACK – with the familiar **PLAY, PAUSE, PREVIOUS, NEXT,** and **STOP** buttons.

ADJUST VOLUME – with the **VOLUME UP/DOWN** and **MUTING** buttons.

CHOOSE ANOTHER SOURCE – and the system will automatically switch on the other components.

WHEN YOU'RE DONE – press the **POWER** button to turn off the Remote Room.

See owners manual for additional control while aimed at wall unit.
