- Typical playing time : 12 hours
- External supply /00 : 230 V AC to 4.5 V DC
- /01, /11 : 120/230 V AC (switchable) to 4.5 V DC

General

- Material : High temperature resistant plastic
- Weight : 230 g (excluding batteries)
- Dimensions : 131.8mm W x 30mm H x 143.3mm D
- Quantity/mastercarton : 3

Accessories

- AC/DC adaptor
- Eargear
- Rechargeable battery pack
- Sports pouch

Optional accessories (contact your dealer or service centre)

- AY 3501 Car cassette adaptor
- AY 3545 Cigarette lighter adaptor

Product highlights

- **3-Stage Dynamic bass boost**
Enhances bass tone frequencies to give three levels of deep, rich sounds.
- **Large LCD**
Large LCD ensures that all CD function displays are bigger and brighter for easier viewing.
- **Feedback tone**
Confirms any key-push with friendly beep.
- **Play mode**
Let's you enjoy various track repeat modes (one/all/shuffle) or a combination of each. Introscon plays 8 seconds of each track automatically.
- **Next/previous track search**
Two-button control that puts you immediately at the start of the previous track or next track.
- **Search with sound**
Produces audible "bits" of sound while you search backwards or forwards within a CD track.
- **Hold**
Prevents accidental interruption of play or changing of the setting.
- **Resume**
Ensures the CD starts precisely from the point it was stopped.
- **Automatic power off**
Automatically switches off the CD player at the end of a compact disc.
- **1-Bit D/A converter**
Advanced digital conversion technology ensures crystal-clear sounds for pure listening pleasure.
- **Other CD features include:**
Large LCD, 99-track programming, shuffle, repeat one/all and introscon functions, and feedback beep to confirm key-push operation.

** Not meant to be immersed in or come into continuous contact with water
