

PARK

PARK PRO 25 4WD

## Park Pro 25 4WD

---

Cutting grass with a four wheel drive front mower gives you a sense of total freedom - choose any path you like on the lawn.

The machine is very gentle to the turf, leaves no marks, even on wet slopes.

As always the Front mounted cutting deck provides better over-view and easier accessibility.

Equipped with horizontally adjustable comfort seat with extra high back and armrests for more pleasant driving. Easy adjustable with an one hand grip.

- Rear casing can be folded up, for easy access to the motor, battery and petrol tank.
- Height adjustable steering wheel with servo assistance which makes steering extra easy.
- Cutting deck are easily angled into a cleaning position without removing the belt.
- Electric attachment clutch and electric cutting height adjustment handled from the right side of the driver's seat.
- Hour meter to help you to remember to give service in right time.
