

JENSEN

Jensen SL210/212 Slot-Loaded Subs Quick Start Guide

WARNING: The rectangular shape of the Subwoofer provides increased resistance to tipping. To avoid vehicle damage or personal injury that may occur should the enclosure become detached, please ensure that the enclosure is securely mounted to a surface with adequate strength and rigidity to support it under stress conditions such as road vibration and sudden stops.

NOTICE: There are no removable or serviceable parts on the speaker. Tampering with the speaker or any of it's components will damage the speaker and void the warranty.

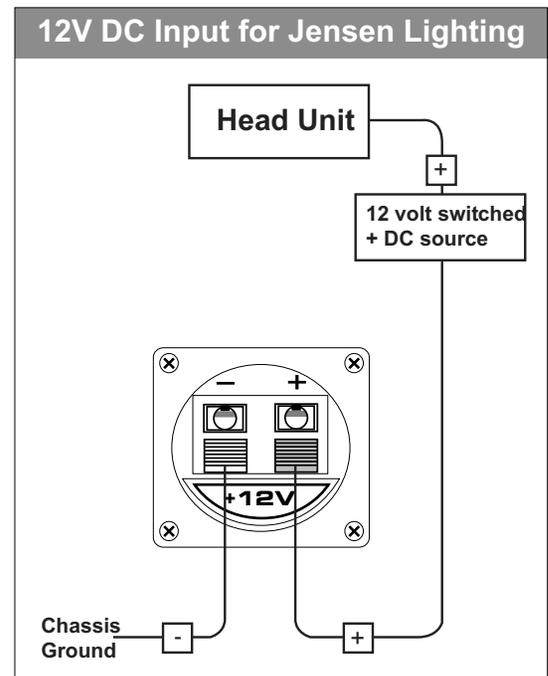

CARE AND CLEANING: Fingerprints and smudges can be removed from the acrylic by buffing lightly with a lint-free cloth. Light scratches can be buffed out by using an acrylic/plexi polish or fine rubbing compound; however, avoid getting any compound on the cabinet carpeting. The enclosure is the same material used for premium quality home audio speakers, but covered with carpet instead of veneer. Dirt on the carpet can be cleaned with common carpet cleaners and a brush.

Connecting 12V DC Power for Lighting

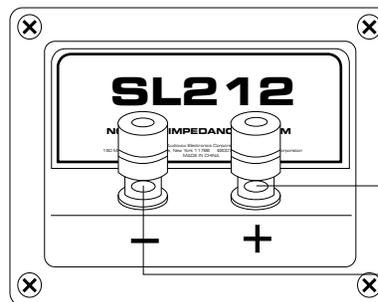

The lighting features of all Jensen products require a 12 volt power source to operate. The polarity (+ and -) indicators for each set of inputs also appear on the terminal cup.

Do not connect an amplifier or any audio source to Jensen lighting inputs. **Inputs are designed for a switched 12-Volt DC power source only.** Do not connect your Jensen product directly to your battery, as it will cause your battery to discharge.

Be sure to maintain polarity, and be sure to connect to a constant switched 12 volt source. Connect the switched positive (+) 12 volt wire to the Positive (+) lighting input terminal and connect the negative (-) lighting input terminal to a good chassis ground or negative (-) ground

NOTE: Must use 12 volt switched output ONLY.

Wiring Your Bass Enclosure

Connect the positive (+) wire from amplifier output to the positive terminal (red) on enclosure.

Connect the negative (-) wire from the amplifier output to the negative terminal (black) on enclosure.

Limited Warranty

Speakers, Bandpass Enclosures and Subwoofers

Audiovox Electronics Corporation (“the Company”) is committed to quality and customer service, and are pleased to offer you this Warranty. Please read it thoroughly and contact the Company at 1-800-323-4815 with any questions.

Who is covered?

The Company extends this warranty to the original retail purchaser of products purchased through an authorized Audiovox retailer in the U.S.A., Puerto Rico or Canada. This warranty is not transferable or assignable. Proof of purchase is required in the form of an original sales receipt.

What is covered?

The Company warrants that should this product or any part thereof, under normal use, be proven defective in material or workmanship within 90 days from the date of original purchase, such defect(s) will be repaired or replaced with a new or reconditioned product (at the Company's option) without charge for parts and repair labor.

What is not covered?

This Warranty *does not* cover the following:

- Damage incurred during shipping or transporting the product to the Company or a service center
- Elimination of car static or motor noise
- Defects in cosmetic, decorative or non-operative structural parts
- Costs incurred for installation, removal or reinstallation of the product
- Consequential damage to any included plexiglass or lighting (i.e. neon or LED lights), accessories, or vehicle electrical systems
- Damage caused by improper installation, mishandling, misuse, neglect, accident, blown fuse, battery leakage, theft or improper storage; burned voice coils caused by over-driving the speaker; or mechanical failures due to punctures or tears
- Products whose factory serial number/bar code label(s) or markings have been removed or defaced
- Damage resulting from moisture, humidity, excessive temperature, extreme environmental conditions or external natural causes

Please review the “Care and Maintenance” section of your Installation and Operation Manual for additional information regarding the proper use of your product.

DO NOT RETURN THIS PRODUCT TO THE STORE

Limitations

THE EXTENT OF THE COMPANY'S LIABILITY UNDER THIS WARRANTY IS LIMITED TO THE REPAIR OR REPLACEMENT PROVIDED ABOVE AND, IN NO EVENT, SHALL THE COMPANY'S LIABILITY EXCEED THE PURCHASE PRICE PAID BY PURCHASER FOR THE PRODUCT.

This Warranty is in lieu of all other express warranties or liabilities. ANY IMPLIED WARRANTIES, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY, SHALL BE LIMITED TO THE DURATION OF THIS WRITTEN WARRANTY. ANY ACTION FOR BREACH OF ANY WARRANTY HEREUNDER INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY MUST BE BROUGHT WITHIN A PERIOD OF 24 MONTHS FROM DATE OF ORIGINAL PURCHASE. IN NO CASE SHALL THE COMPANY BE LIABLE FOR ANY CONSEQUENTIAL OR INCIDENTAL DAMAGES FOR BREACH OF THIS OR ANY OTHER WARRANTY, EXPRESS OR IMPLIED, WHATSOEVER. No person or representative is authorized to assume for the Company any liability other than expressed herein in connection with the sale of this product.

Some states do not allow limitations on how long an implied warranty lasts or the exclusion or limitation of incidental or consequential damage so the above limitations or exclusions may not apply to you. This Warranty gives you specific legal rights and you may also have other rights which vary from state to state.

Obtaining Warranty Service

- To obtain repair or replacement within the terms of this Warranty, call 1-800-323-4815 for the location of a warranty station serving your area.
- You must prepay the initial shipping charges to the Company. The Company will pay the return shipping charges for all warranted products returned to an address within the U.S.A., Puerto Rico or Canada.
- Please package the product securely to avoid shipping damage. We recommend using a carrier that provides tracking service to prevent lost packages. Lost or damaged packages are not covered by this warranty.
- Provide a detailed description of the problem(s) for which you require service.
