Power Inverters

Power Up Anywhere! Mobile Power Inverter.

This versatile Power Inverter allows you instantly convert a DC power source into 115 volts of AC power. Plug it into your car lighter socket, connect the device's AC cord into an the Mobile Power Converter outlet and you can run a laptop, DVD player, gaming console stereo – you name it! Great for traveling in automobiles, boats and RVs, and perfect for camping! Like all of our products, this extraordinary mobile power inverter must meet the industry's most rigorous quality control and performance standards before it's approved for distribution. Durable, reliable and affordable. Power up anywhere with the Ultra Mobile Power Inverter.

Specifications

- Voltage In: 12VDC
- Voltage Out: 115VAC
- Continuous Power: 150W
- Peak Power (1 Cycle): 300W
- Output Frequency: 60Hz
- Output Waveform: Modified Sine Wave
- No Load Current: 0.15 A
- Fuse: 20A
- Weight: 1 lbs.
- Dimensions(HxWxD): 3" x 6.4" x 1.5"

Specifications

- Voltage In: 12VDC
- Voltage Out: 115VAC
- Continuous Power: 400W
- Peak Power (1 Cycle): 800W
- Output Frequency: 60Hz
- Output Waveform: Modified Sine Wave
- No Load Current: 0.4 A
- Fuse: 40A
- Weight: 1.76 lbs.
- Dimensions(HxWxD): 4" x 6.4" x 1.9"

Specifications

- Voltage In: 12VDC
- Voltage Out: 115VAC
- Continuous Power: 800W
- Peak Power (1 Cycle): 1600W
- Output Frequency: 60Hz
- Output Waveform: Modified Sine Wave
- Fuse: 2 - 40A
- Weight: 2.42 lbs.
- Dimensions(HxWxD): 9" x 5.1" x 2.36"

150 Watt DC to AC Power Inverter

Part #: ULT31802
UPC#: 02276918028

400 Watt DC to AC Power Inverter

Part #: ULT31801
UPC#: 02276918011

800 Watt DC to AC Power Inverter

Part #: ULT31926
UPC#: 02276919261
