Ricoh Aficio SP C210SF

Turn any Space into a Workspace

You need access to the same capabilities and image quality as larger organizations, but proportionate to your needs and budget. The RICOH® Aficio® SP C210SF is the easiest way to put color laser multifunctionality on every desktop. Network-ready and simple to operate, the Ricoh Aficio SP C210SF reliably handles all of your full-color and monochrome printing, scanning, copying, and faxing needs in a surprisingly affordable, compact MFP solution.

We've made sure the Ricoh Aficio SP C210SF is remarkably easy to use and maintain. Intuitive Control Center software and user-replaceable supplies provide the operability and reliability you need to turn any space into a workspace.

Desktop Multifunction Laser Color

Efficient Laser Printing

Add color to your communications to generate more impact and attention. The Ricoh Aficio SP C210SF uses true 600-dpi color laser technology to produce eye-catching full-color prints at an efficient 8-ppm.

- The Ricoh Aficio SP C210SF leverages the data processing muscle found in today's powerful PCs to drive efficient printing with point-and-click simplicity. Print black-and-white documents faster at 31-ppm, and gain the versatility to print on special stocks up to 110 lb. Index.
- Print stacks of envelopes without manual one-at-a-time feeding. Increase paper capacity up to 780 sheets for uninterrupted operation.
- Quickly exchange the standard paper cassette for the optional legal-size paper tray to handle any job that comes your way.
- The Ricoh Aficio SP C210SF makes it easy to print directly from your Windows PC or Macintosh, and provides the built-in flexibility to step up to network printing when the time is right.
- The standard Ethernet network interface opens the Ricoh Aficio SP C210SF's versatility to all connected users to make your entire office more productive.

Copying Convenience

The Ricoh Aficio SP C210SF's integrated scanner and simplified control panel put full-color and monochrome laser copying within easy reach.

- Quickly process stacks of originals up to legal size* with the standard 35-sheet Automatic Document Feeder.
- Easily copy pages from bound books and magazines, as well as fragile documents like photos, maps, and more with the built-in 8.5" x 11" flatbed scanner.
- Fast first copy times and efficient output speeds keep pace with your document reproduction needs, while laser technology delivers the 600-dpi copy quality you need to make your business look its best.

* Optional Legal Tray required

Scan with Confidence

Take the complexity out of scanning with Ricoh's easy to use Control Center software. Perform full-color TWAIN-compliant scanning to capture hardcopy documents for editing or placement in new digital documents for professional results.

- Effortlessly view, organize, and manage scanned files.
- Ricoh's intuitive Control Center interface offers one-button shortcuts to easily produce editable text files without time-consuming and error-prone data re-entry.
- Send scanned files as e-mail attachments or to PC destinations for cost-free information sharing and archival capabilities.

Faxing Flexibility

Support for traditional Super G3 and Internet faxing round out Ricoh Aficio SP C210SF capabilities.

- Fax hardcopy originals via the ADF or platen glass, or use the PC fax utility for paperless faxing.
- The Ricoh Aficio SP C210SF offers a full suite of dialing, reception, and transmission features, and even an Internet Fax capability to bypass the telephone network and associated per-call charges.

The Ricoh Aficio SP C210SF. Affordably, reliably turning any space into a workspace.

Easy to use control panel allows users to quickly switch between Fax, Scan, and Copy modes.

Intuitive Control Center software makes scanning, viewing, sending, and even optical character recognition (OCR) tasks simple for every user.
