

**Light-weight and handy 15.4" Notebook Case**

The Front-Loading lightweight and handy 15.4" Notebook case in Multi-Design.

The effective cushioning and the reinforced frame protect the Notebook on all sides and provide optimal safety.

Everything is perfectly stored in the many compartments: cell phone, pens and business cards are always at hand in the holders of the newly designed front pocket. Additional storage room for documents and mobile accessories is offered by the document compartment on the back side as well as in the workstation interior.

The especially soft handle of the MultiStart in combination with the shoulder strap and the special trolley strap guarantee comfortable transport.
