**MAGNAVOX**  
Smart. Very smart.®

AJ392017

# CD AM/FM STEREO DIGITAL CLOCK RADIO

- AM/FM stereo reception with thumbwheel tuning

**Line Out to Active Speakers or Headphones** A special line output permits connecting this stereo CD clock radio to larger, external speakers for higher quality sound reproduction, or to stereo headphones for private listening.

**Dual Alarms with Individual Switches** Allows the user to select two individual waking times — or, different weekday/weekend waking times — without the inconvenience of resetting alarm times.

**CD/Radio/Buzzer Choice For Alarm "1" and Alarm "2"** Provides three different waking options for each alarm setting — the user's choice of a favorite compact disc selection, a favorite radio station, or the standard buzzer alarm.

**Wake to Favorite CD Track Selection** This unit can be programmed to allow the user to select a favorite compact disc track as the waking option, or it can be set to begin play at the beginning of the CD.

**Snooze Control/Repeat Alarm** Pressing the Snooze button will temporarily switch off the alarm. It will sound again in 10 minutes. When you wish to cancel the Repeat Alarm mode, simply press the designated button to return to regular time and alarm functions.

**24-Hour Reset Alarm Feature** Automatically resets the alarm function for the same time on the next day, eliminating the necessity of manually resetting the alarm after each use.

**60/30/10-Minute Sleep Feature** Allows the user to enjoy CD or radio entertainment while going to sleep. The sleep feature can be programmed to provide radio or CD entertainment for 10, 30 or 60 minutes, after which time the unit will automatically shut off.

- 6-digit 0.6" LCD time display
- Separate radio "on/off" switch

**Three-Position Backlit Display Brightness Control** Offers low, normal, and high display brightness settings to suit individual preferences.

**Fast Forward/Slow Reverse Hours/Minutes Time/Alarm Set** Allows quick, easy setting of the correct time and desired alarm times. Forward/reverse and fast/slow controls simplify adjustment.

- Alarm "active" and "source" indication
- CD play/stop/next/previous controls
- Metal speaker grilles
- Integrated power cord/FM antenna
- Ferroceptor AM antenna
- Backlit Display
