

## OMNI PLAY FOUR-IN-ONE MUSIC SYSTEM

Enjoy all of your music  
in elegant style.

Enjoy all of your music with OMNI PLAY. This elegant, vintage-style music system plays records, CDs, tapes, and AM/FM, all in one space-saving unit. OMNI PLAY has built-in stereo speakers for outstanding quality sound and great spatial imaging. Listen carefully – you can really hear sounds on the left and right – it’s just like being in the performance! OMNI PLAY also has a stereo headphone output so you can connect your favorite headphones and listen without disturbing others.
