

ADI-ZCFB-S

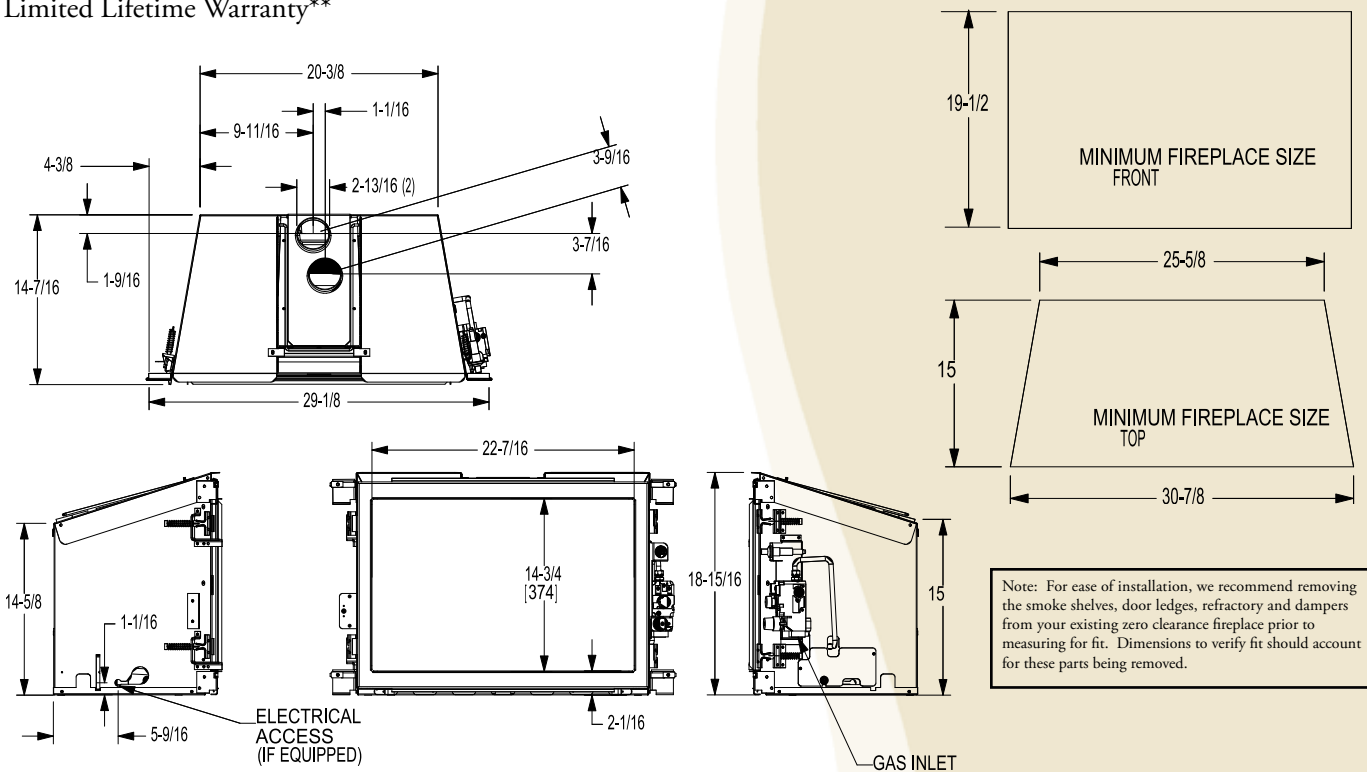

FireBrick™ Gas Insert

heatilator
The first name in fireplaces

ADI-ZCFB-S Gas Insert,

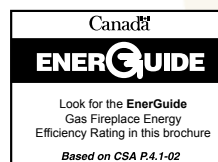

Turn your woodburning fireplace into something special!

- Keep the beautiful woodburning look...with the added cleanliness, energy efficiency and convenience of gas
- Utilizes the revolutionary, industry-exclusive FireBrick™ technology
- Unique slant-back design and molded blower chamber allow the insert to slide into most existing 36" zero clearance fireplaces
- Enhanced viewing area of 22-7/16" x 14-3/4" shows off the six hand-painted ceramic fiber logs and realistic burn
- Sealed combustion chamber uses 29,600 Btu/hour input
- Finish with an attractive INFIT surround and glass doors*
- Safety tested and listed to UL307B standards and approved for mobile homes
- Limited Lifetime Warranty**
