ICE-O-MATIC ... IT'S THE EASIEST CHOICE YOU CAN MAKE.

EXCELLENCE

Our equipment features ideal solutions for hard water, food safety concerns and tight spaces

RELIABILITY

Since our beginnings in 1952, we have sold more than 1,000,000 ICE Makers and Storage Bins worldwide and have achieved world class quality levels

EXPERIENCE

ICE-O-Matic is backed by the technological resources of our parent company Enodis Corporation, one of the world's largest food equipment manufacturers

INNOVATION

We currently hold 14 patents and have at our disposal a state-of-the-art 27,000 square foot technology center for developing unique solutions to customer problems

VERSATILITY

For whatever ICE making needs you may have, ICE-O-Matic offers a full line of equipment with ICE making capacities from 60 pounds to more than a ton of ICE per day

SERVICE

Our highly trained network of Factory Authorized Service Technicians are on duty to respond immediately to your needs

FOR QUALITY YOU CAN COUNT ON, CHOOSE ICE-O-MATIC.

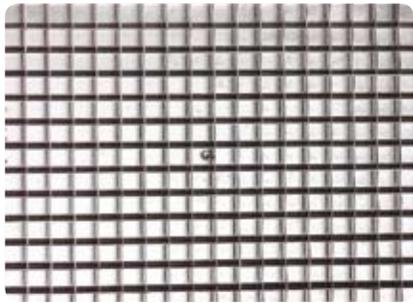

ICE. PURE AND SIMPLE™

WHY BUY ICE-O-MATIC?

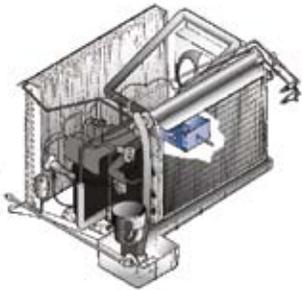

PURE ICE[®] Exclusively By ICE-O-Matic

Built-in antimicrobial protection for the life of the ICE Maker inhibits bacteria and slime fungus growth on ICE Maker surfaces. ICE-O-Matic's optional water filtration system provides protection against unpleasant tastes, odors and scale formation.

CUBER EVAPORATOR

ICE-O-Matic uses electroless nickel plating on all its cuber evaporator plates. This hard coating resists the damaging effects of water and ice over an extended period of time.

HARVEST ASSIST

Consistent and fast ICE production 24 / 7 for the life of the ICE Maker, while reducing operating costs. ICE is assisted off of the evaporator freezing surface rather than relying solely on gravity to overpower scale build-up.

ENERGY-EFFICIENT

Our Cube and Flake ICE Makers are energy efficient machines that offer maximum ICE production with minimal kilowatts per hour and water usage. This results in a reduction of operating costs over the life of the ICE Maker.

TOP AIR DISCHARGE

Maximum ICE production in a minimum amount of space with an ultra-low profile. No side clearance required. A FREE optional feature, it's ideal for tight-fitting spaces.

FILTER-FREE AIR

No air filter to change.

SEA SALT CORROSION PROTECTION

All cube ice making remote condensers are treated with a salt air corrosion protectant – FREE.

7 YEAR WARRANTY

Purchase an ICE-O-Matic water filter with your new ICE-O-Matic Cube ICE Maker, replace the water filter cartridge every 6 months, and the evaporator warranty is extended to 7 years - parts and labor. (Available in the USA and Canada only)

WHY BUY ICE-O-MATIC?

STAINLESS STEEL

Rust-resistant ICE-O-Matic ICE Makers are constructed from stainless steel on the inside, and a combination of stainless steel and industrial-grade fingerprint-proof molding on the outside.

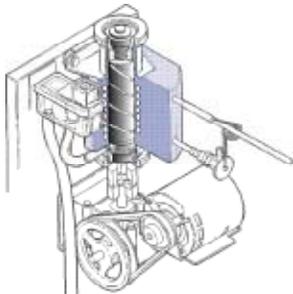

INSULATION

All ICE-O-Matic Storage Bins and Dispensers are insulated with industrial polyethylene foam for maximum ICE preservation.

3-IN-1 WATER FILTER

Activated carbon, sediment removal and scale protection make ICE-O-Matic's 3-In-1 water filters the ideal protection against unpleasant tastes, odors and scale formation in your ICE Maker.

FLAKER EVAPORATOR

Our Flakers are constructed with a durable brass evaporator and rugged stainless steel transport system that produces slow-melting, uniform quality flaked ICE, steadily and efficiently.

SERVICE SUPPORT

Beginning with installation and continuing for as long as you own your ICE Maker, ICE-O-Matic's team of nationwide Factory Authorized Service Technicians (F.A.S.T. Agents) are there to support you.

CUSTOMER SERVICE

ICE-O-Matic's dedicated and knowledgeable customer support team is available to respond with effective and supportive answers to your questions.

ISO CERTIFICATION

ICE-O-Matic is certified under ISO 9001:2000 standards, assuring the customer quality, consistency and continuous improvement in every ICE Maker we manufacture.

MANUFACTURING FACILITY

ICE-O-Matic ICE Makers and Storage Bins are designed and manufactured in our 160,000 square foot facility.

CUBE ICE MAKERS WITH BUILT-IN STORAGE

ICE-O-Matic Self-Contained Cube ICE Makers provide multiple size / capacity options with applications ranging from the Small Office / Home Office to a Commercial Restaurant Kitchen.

Insulated Self-Contained storage bins provide maximum ICE preservation. Height adjustable legs and large bin door opening provide easy ICE access in tight-fitting situations or under-counter environments.

Innovation, reliability and customer support has helped us win the trust of customers large and small. Purchase ICE-O-Matic with confidence and take the worry out of your ICE Making needs.

CUBE ICE MAKERS

MODULAR CUBERS

With ICE-O-Matic's Modular Cube ICE Makers you don't have to spend time thinking about ICE - it will be there when you need it. Our Modular Cube ICE Makers feature PUREICE®, the smart choice in promoting Food Safety by inhibiting bacteria growth in ICE Makers.

Attractive and reliable, all units are constructed from rugged, rust-resistant stainless steel on the inside and a combination of stainless steel and durable fingerprint-proof finish on the outside.

And with ideal ICE making solutions for Hard Water, Food Safety Concerns and Tight Spaces, ICE-O-Matic is the smart choice for Bars, Restaurants, Hotels, Convenience Stores, Institutions and Healthcare applications.

You can purchase ICE-O-Matic with confidence.

PEARL ICE MAKERS

MODULAR NUGGET ICE MAKERS

Making ice shouldn't be complicated, so we'll make it easy for you to see why installing a new Pearl Ice machine is a no-brainer for your business. Pearl Ice enhances beverage programs and lowers your operating costs. With benefits like these and ICE-O-Matic's reputation for reliability, it couldn't be any simpler.

Constructed from sturdy, corrosion resistant stainless steel, the Pearl Ice Makers are available in 21 and 30 inch wide models. Highly versatile, the Pearl Ice models can be mounted on a dispenser or used in combination with a traditional ice storage bin.

Pearl Ice makers produce soft chewable ice crystals that are widely preferred by customers, perfect for quick serve restaurants, convenient stores, and medical applications.

PEARL ICE

Shown with B55 bin

GEM 0650

ICE PRODUCTION: Up to 745 lbs. ICE per Day
DIMENSIONS (IN.): 21"W x 24"D x 27" H
CONDENSER: Air, Water, Remote

FLAKE ICE MAKERS WITH BUILT-IN STORAGE

ICE-O-Matic Self-Contained Flake ICE Makers offer a variety of size / capacity options with built-in insulated storage bins for maximum ICE preservation.

Constructed for tight space restrictions and low-height requirements, ICE-O-Matic Flake ICE Makers produce slow-melting, quality ICE, perfect for medical, restaurant and supermarket applications.

EF 250

ICE PRODUCTION: Up to 400 lbs. ICE per day
STORAGE: 143 and 213 lbs. of ICE
DIMENSIONS (IN.): 32" W x 28" D x 41" H or
38" W x 28" D x 41" H

38" W x 28" D x 41" H
48" W x 28" D x 41" H
CONDENSER: Air

EF 800

ICE PRODUCTION: Up to 772 lbs. ICE per day
STORAGE: 250 lbs. of ICE
DIMENSIONS (IN): 38" W x 28" D x 41" H
48" W x 28" D x 41" H
CONDENSER: Air

Rated at 70° Air / 50° Water

FLAKE ICE MAKERS

MODULAR FLAKERS

ICE-O-Matic Modular Flake ICE Makers are designed to fit on top of a variety of storage bins to provide the desired amount of Flaked ICE for your application needs.

With many of our Modular Flakers measuring only 16 inches wide, it is possible to place two Modular Flakers on a 48 inch wide bin to increase production capacity.

ICE-O-Matic Flake ICE Makers produce slow-melting, quality ICE, perfect for medical and restaurant applications.

In addition, the high moisture content of our flaked ICE makes it perfect for displaying and maintaining the freshness of meat, poultry and fish in supermarket applications.

Shown with B55 bin

ICE DISPENSERS

HOTEL DISPENSERS

ICE-O-Matic Hotel Dispensers are built with the customer in mind, and feature durable stainless-steel cabinets with built-in storage.

Our 30-inch Hotel Dispenser is available with three options: push-to-dispense, water-filler or coin / token.

Designed for rugged, high usage environments, our 22 and 30-inch wide Dispensers have fingerprint-proof dispensing areas and oversized sinks to accommodate almost any size ICE bucket.

In addition, both models dispense a $\frac{1}{4}$ lb. of ICE per second, allow access for easy cleaning and provide maximum ICE storage in a minimum amount of space.

NOTE 1: ICE Makers sold separately

NOTE 2: Hotel dispensers only dispense full and half cubes
and do not make ICE

ICE DISPENSERS

ICE ONLY OR WATER & ICE

ICE-O-Matic's ICE Only and Water and ICE Dispensers are durable and easy to operate. Auto Rotate rotates the ICE for 4 seconds every hour to provide more reliable ICE dispensing and less ICE congealing. Direct Dispense ensures that ICE hits the glass every time and Quick Stop prevents overflow and waste.

The Electronic Dispenser has a sleek, high-tech design with durable fingerprint-proof front and top panels. Touch-free infra-red actuation provides convenient one-hand operation.

Additionally, a bigger sink allows more clearance for larger containers. Quiet to operate, the Dispensers are ideal for hospitals, cafeterias, restaurants and offices.

NOTE 2: IODs only dispense full and half cubes and do not make ICE

STORAGE BINS

ICE-O-Matic's ICE Storage Bins offer multiple sizes and storage capacities to fit the most demanding application needs. Polyethylene bin liners and industrial foam insulation prevent the ICE from melting too quickly, which means more ICE for your customers.

All bins feature height-adjustable legs. The large door opening and low bin profile provide easy ICE access.

FILTRATION SYSTEMS

3-IN-1 WATER FILTERS

ICE-O-Matic's water filtration system provides protection against unpleasant tastes, odors, sediment and scale formation. Systems are available to match the production capacity of any ICE-O-Matic ICE Maker and easily mount to the wall. These systems take up a minimal amount of space and are equipped with quick-connect fittings for fast, easy replacement.

Purchase an ICE-O-Matic water filter with your new ICE-O-Matic Cube ICE Maker, replace the water filter cartridge every 6 months, and the evaporator warranty is extended to 7 years - parts and labor. (USA and Canada only)

IFQ1 SYSTEM

Single Cartridge with a Quick Disconnect
ICE MAKING CAPACITY: Up to 1000 LB
DIMENSIONS (IN.): 15" H x 6" W x 4" D

IFQ2 SYSTEM

Dual Cartridge with a Quick Disconnect
ICE MAKING CAPACITY: Over 1000 LB
DIMENSIONS (IN.): 16" H x 10" W x 6" D

IOMQ

System Quick Disconnect Replacement Cartridge
DIMENSIONS (IN.): 12.75" H x 4" W x 4" D
SINGLE REPLACEMENT FILTER FOR: IFQ1 and IFQ2

SINGLE INLINE FILTER

ICE MAKING CAPACITY: Up to ICE 0500
DIMENSIONS (IN.): 2.5" W x 11" H
FITTING OPTIONS:
 1/4" Compression
 3/8" Compression

IOMWFRC

System Quick Disconnect Replacement Cartridge
DIMENSIONS (IN.): 2.5" W x 11" H
SINGLE REPLACEMENT FILTER FOR: IF1, IF2, IF3 AND IF4 (Previous Manifold Systems)

SIZING YOUR ICE-O-MATIC ICE MAKER

- Does the existing ICE Maker meet peak usage during the hottest part of the year?
- What are the various locations or stations in the establishment that will need ICE? Will they be serviced from one or multiple ICE Makers?
- Planned for future growth? If not, consider building in 20% additional capacity on new installations.

FOOD SERVICE	APPROXIMATE ICE USAGE PER DAY	
RESTAURANT	1.5 lbs.	per person
COCKTAIL	3 lbs.	per person / seat
SALAD BAR	40 lbs.	per cubic foot
QUICK SERVICE	5 oz.	per 7-10 oz. drink
	8 oz.	per 12-16 oz. drink
	12 oz.	per 18-24 oz. drink

LODGING	APPROXIMATE ICE USAGE PER DAY	
GUEST ICE	5 lbs.	per room
RESTAURANT	1.5 lbs.	per person
COCKTAIL	3 lbs.	per person / seat
CATERING	1 lb.	per person

HEALTHCARE	APPROXIMATE ICE USAGE PER DAY	
PATIENT ICE	10 lbs.	per bed
CAFETERIA	1 lb.	per person

CONVENIENCE STORE	APPROXIMATE ICE USAGE PER DAY	
BEVERAGE	6 oz.	per 12 oz. drink
	10 oz.	per 20 oz. drink
	16 oz.	per 32 oz. drink
COLD PLATE	50% more ICE usage per day	
PACKAGED ICE	Weight per bag x number of bags sold per day	

ICE-O-MATIC INSTALLATION CONSIDERATIONS

ALLOW ENOUGH SPACE FOR:

- The ICE Maker, bin and water filter
- Air flow

NOTE: IF THE ICE MAKER IS TIGHT ON SPACE, CONSIDER A TOP AIR DISCHARGE UNIT

UTILITIES:

- What are the voltage characteristics of the electrical outlet that will be used for this ICE Maker?
- Is there a floor drain within 6 feet?
- Water source with water shut-off?
- Are the utilities in close proximity to the ICE Maker location?

REMOTE INSTALLATION:

- Is there an outdoor condenser location above the ICE Maker?
- Easy roof access and penetration?
- Maximum pre-charged tubing line run considerations?

NOTE: ICE-O-MATIC OFFERS A FREE SEA SALT CORROSION PROTECTANT ON ALL REMOTE CONDENSERS

ASK ABOUT:

- The 7 year warranty on the evaporator if an ICE-O-Matic water filter is purchased with an ICE-O-Matic Cube ICE Maker and the cartridge is replaced every 6 months (US and Canada only)
- Warranty program
- Preventive maintenance programs

ICE-O-Matic's Warranties

- 1: 36 month parts and labor warranty on Cube ICE Makers and Pearl ICE Makers. 24 month parts and labor warranty on Flake ICE Makers, Dispensers and ICE Storage Bins.
60 month parts only warranty on Cuber Evaporators and Compressors. See ICE-O-Matic Warranty Statement for complete details.
- 2: See page 5 for Extended Water Filter Warranty Program
- 3: IOD Series Dispensers: 2 year parts warranty and 1 year labor only
- 4: CD Series Hotel Dispensers: 3 years parts and labor warranty

PURE ICE contains AgION™ silver-based protectant which inhibits bacteria and slime fungus growth build-up on ice machine surfaces. Additionally, ICE-O-Matic's optional water filtration system provides protection against unpleasant tastes, odors and scale formation. AgION antimicrobial is registered with the EPA and is a trademark of AgION Technologies.

Installation and Warranty

ICE-O-Matic's team of nationwide Factory Authorized Service Technicians (F.A.S.T. Agents) are there to support you for installation and service.

ICE-O-Matic's Warranties

- 36 month parts and labor warranty on Cube ICE Makers and Pearl ICE Makers. 24 month parts and labor warranty on Flake ICE Makers, Dispensers and ICE Storage Bins. 60 month parts only warranty on Cuber Evaporators and Compressors. See ICE-O-Matic Warranty Statement for complete details.
- IOD Series Dispensers: 2 year parts warranty and 1 year labor only

- Extended Warranty. Purchase an ICE-O-Matic water filter with your new ICE-O-Matic Cube ICE Maker, replace the water filter cartridge every 6 months, and the evaporator warranty is extended to 7 years - parts and labor.
(Available in the USA and Canada only)

About ICE-O-Matic

Located in Denver, Colorado, ICE-O-Matic® manufactures a wide range of commercial ice making products including cube ice makers, flaked ice makers, storage bins, dispensers and water filters. Since 1952, we have been developing new technologies and programs, such as the introduction of AgION™ Antimicrobial Compound in our ICE Series cube icemakers and our extended warranty water filter program, which have resulted in the creation of products that are more efficient for business and safer for the environment.

About the global capabilities of our parent company, Enodis:

SOLUTIONS

ICE-O-Matic provides many of the operational solutions from Enodis, a global company dedicated to bringing value to foodservice operators by equipping them with highly individualized real-world answers that enhance menus, service, profits, and efficiency.

FINANCING

Enodis offers low-rate, fast-approval financing on equipment from Enodis brands and on other equipment when purchased with Enodis brands. Preserve capital, simplify budgeting, and get the equipment you need today, from Enodis Authorized Dealers with Enodis Financing.

SERVICE

Enodis brands are backed nationwide by Enodis STAR Service. This network of certified service agents provides fast response with factory-trained experts to assure your equipment will be fixed right the first time. Enodis STAR service agents guarantee their work and use genuine OEM parts for best equipment performance and longer life.

To learn how ICE-O-Matic and other leading Enodis brands can equip you, or to apply for financing, visit www.enodis.com or consult your ICE-O-Matic dealer, distributor or call 727-375-7010.
