Product highlights

Black HiBri picture tube

Black HiBri is a TV tube technology used on Philips small-screen TVs, giving good color reproduction on smaller sets.

Sharpness Adjustment

Plays DVD/CD/MP3

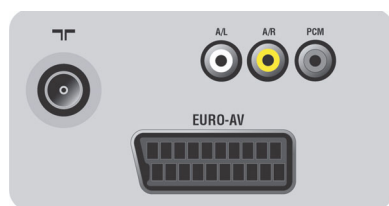

Picture CD Playback (jpeg)

A Picture CD contains digital still pictures in JPEG format. Most Philips DVD players and recorders support playback of Picture CDs – both home created discs as well as ones from photo shops.

Front Stereo AV & headphone

Front stereo AV & headphone makes it much more convenient to connect external devices like audio equipment, games and video cameras. It's the easy way to enjoy an extra audio sensation or a totally immersive gaming experience.
