

hp psc 2210

hp psc 2210 printer/flatbed fax/scanner/copier

The HP PSC 2210 is a compact multifunction device that delivers direct photo printing with high-quality faxing, scanning and copying. It produces vibrant, photo-quality images and delivers brilliant colour scanning and copying.

Designed for creative home users who want to print photo-quality images, use a digital camera and require high-quality faxing, scanning and copying.

Do it all with just one product – perfect for all your printing, faxing, scanning and copying needs.

- Print up to 17 pages per minute in crisp black and up to 12 pages per minute in brilliant colour.
- Fast and convenient built-in 33.6 Kbps fax modem.
- Brilliant 48-bit colour scanning at up to 1200 x 2400 dpi guarantees great results.
- Make up to 17 copies per minute in black and up to 12 in colour.
- Easy-to-understand control panel for instant faxing, scanning and copying.
- Intuitive HP Photo & Imaging software allows you to perform a variety of tasks in seconds.

Built-in card readers allow quick-and-easy photo printing direct from any digital camera.

- Leave your computer switched off – print straight from your digital camera's memory card.
- Readers accept CompactFlash™, SmartMedia™, Sony Memory Stick®, Secure Digital memory cards.
- Mark the photos you want on the HP Proof Sheet and scan it in – the selected photos will print out automatically.

Impressive print quality for vibrant, true-to-life images of all kinds.

- Up to 4800-optimised dpi* colour printing on premium photo paper.
- Sensational photos with optional six-ink colour printing and HP Photoret IV** precision technology.
- Print traditional-looking borderless photos on 10 x 15 cm HP Premium Photo Paper.
- HP dye-based inks for longer-lasting colour photos; pigment-based black ink for razor-sharp text.

*Up to 4800 x 1200-optimised dpi colour printing on premium photo papers, 1200 x 1200-input dpi.

**6-ink photo printing available with separate purchase of photo cartridge; not included.
