## Cuisinery

### Multicut Plus MM 8050

#### Product data

- Professional multi-chopper with a powerful 400 watts
- Easy to operate due to the sophisticated operation switch: just press at brief intervals to prepare fresh meals quickly and easily
- Hygienic food preparation thanks to the high-quality glass bowl, with an extra large capacity of 1.75 litres
- The double stainless steel blades makes the crushing of ice-cubes and chopping of meat, fruits, vegetables and nuts as well as herbs extremely easy. Also particularly suitable for preparing baby food
- Anti-slip rubber pad for a secure working base
- Microwave-safe glass jug, which is ideal for heating up freshly prepared meals and which also ensures that the taste is not negatively affected during storage in the refrigerator
- Dishwasher-safe glass jug and accessories for comfortable and easy cleaning
- Colour: white / procon silver

Double stainless steel blades
