

Rheem Canada announces a

WAI ST

reduction!

For ease of installation and handling...

we're proud to introduce gas water heaters with some of
the smallest diameters in the industry!

Rheem Professional and Fury 40 and 50 gallon gas models now feature a reduction in tank diameter of one and a half inches!

- Same high input of 40,000 BTUs on the Professional 40 gallon natural gas model
- Dual altitude rating of 0-4,500 feet above sea level to eliminate the need for two versions
- 13% improvement (8 gallon/hour) with first hour delivery as compared to current 40 gallon model
- Professional models included the 8 year warranty
- Patented Everklean™ dip tube included with both models

PROFESSIONAL™ & FURY GAS WATER HEATERS

now with smaller diameters!

Professional

- ▶ Upgradeable 6-year limited tank warranty to 8-years, 1-year limited parts warranty*
- ▶ Upgrade your warranty with ProtectionPlus – 8-year limited warranty becomes 10 years

Fury

- ▶ 6-year limited tank warranty, 1-year limited parts warranty*

*See residential warranty information brochure for complete warranty information.

Features:

Guardian System™

- One-of-a-kind air/fuel shut-off device offers double protection
- Maintenance free – no filter to clean
- Standard replacement parts

Self-Cleaning

- EverKleen™ patented system fights sediment build-up
- Reduces fuel costs
- Provides more hot water

Easy to Light

- No matches required
- Piezo pilot ignition

Energy Efficient

- More hot water at low operating cost

High Altitude Compliant

- All models are certified for applications up to 4,500 feet above sea level

Longer Life

- Patented magnesium anode rod design protects the tank from rust

Plus...

- Brass drain valve and temperature and pressure relief valve are included
- Meets or exceeds NRCAN requirements

Exclusive Professional Installation Warranty

When this Rheem PROFESSIONAL water heater is installed by a licensed contractor, the consumer can upgrade his limited tank and parts warranty from 6 to 8 years by returning to Rheem the warranty registration card and a copy of the contractor's invoice.

This Rheem exclusive warranty upgrade feature enhances your value as a plumbing professional. A professional installation is a better installation.

*Refer to the warranty certificate enclosed with each water heater for specific details.

SPECIFY LP GAS WHEN ORDERING. Add "P" suffix to the model number and change BTU input. Example: PRO40-36PFV1.

- * PRO40-40FV1, RR40-36FV1 and RR50-40FV1 feature a 3-4" combo vent.
- 60 and 75 gallon models meet SCAQMD rule 1121 or SCAQMD rule 1146.2.
- 75 gallon model features side water connections for space heating applications.

† Energy Factor for 75 gallon LP model.

These units are designed to meet or exceed ANSI (American National Standards Institute) requirements and have been tested according to C.S.A. test procedures and meet or exceed the energy efficiency requirements of NRCAN, ASHRAE standard 90, and all government energy efficiency performance criteria for energy consuming appliances.

Before purchasing this appliance, read important energy cost and efficiency information available from your supplier.

Rheem Guardian System Features...

Exclusive Combustion Shut-off System

Should a spill incident occur, the Guardian System shuts off the gas supply and the air supply preventing a sustained vapour burn in the combustion chamber.

Flame Arrestor Plate

A specially-designed flame arrestor prevents ignition of vapours outside the combustion chamber.

Maintenance Free

Superior air filtration prevents the flame arrestor from becoming clogged by lint, dust and oil.

In keeping with its policy of continuous progress and product improvement, Rheem reserves the right to make changes without notice.
