# Invacare® At'm Take Along Chair

Yes, you can.®

Wherever you're going, At'm goes, too. It's the power chair lightweight and compact enough to fit in the trunk of a car. Simple enough to assemble in 60 seconds. Powerful enough for a full day of adventure.

How easy is At'm? If you can set up a lawn chair, you're ready. No mobility lifts, no tools – just three easy pieces to assemble. Open the seat, snap it on the lightweight base, add the battery and go! No wonder we call At'm the Take Along Chair!

## Invacare® At'm Take Along Chair
