

Invacare® Patriot™ Wheelchair

Yes, you can.™

Yes, you can.™

Need a lightweight folding wheelchair with simple adjustability and reliable performance at an economical price? The Invacare® Patriot™ is the model of choice. The classic manual rehab wheelchair is a clean design offering valuable features including: a lightweight, aluminum frame; adjustable seat to floor heights; durable center mount front riggings; and adjustable angle head tubes all in a compact folding design.

Simple, triangular axle bracket offers 8 different axle positions – 4 axle positions in front of back canes and 4 axle positions behind back canes.

Precision head tube bearings allow casters to turn smoothly.

Highlights

- Lightweight, aluminum frame
- Adjustable seat-to-floor height and rear axle positions
- Adjustable angle head tubes
- Durable center mount front riggings
- Extra smooth precision head tube bearings
- Compact for transport (11.75" wide folded with wheels)
- Adjustable-height back available in 1" increments, 15"-19"
- Multiple arm, footplate and tire options
- 14 color options
- Quick-release axle option
- Seat pouch standard
