

The energy-efficient TE Series does not require external power, thus eliminating wiring and minimizing installation costs with no further maintenance required. These signs can solve unique installation problems quickly and reliably, and are designed to operate in harsh, corrosive, humid or explosive environments.

Complete Fixture consists of base exit signs. Select options and accessories below.

### How to Specify:

**SERIES**

TE = Self-Luminous  
Tritium Exit

**FACE  
COLOR**

R = Red  
G = Green

**ARROW**

U = Universal

**USEFUL  
LIFE**

10 = 10 Year Life  
15 = 15 Year Life  
20 = 20 Year Life

**# OF  
FACES**

S = Single  
D = Double

### Features

- 1. Illumination:** Illumination of the exit stencil face is accomplished with borosilicate glass sealed tubes internally coated with zinc sulfide phosphor and filled with tritium gas. The sign is available with either 10, 15 or 20 year life.
- 2. Housing:** The TE Series' attractive ABS flame retardant housing comes standard with a gray frame, black or white frames are optional. The TE Series is easily installed for ceiling, wall or flush mount applications. Its tamperproof and vandal resistant design incorporates a high impact polycarbonate face.
- 3. Electronics:** No external power source required. No maintenance costs. Suitable for California low level applications.
- 4. Warranty:** 10, 15 or 20 year warranty provided, depending on the product useful life version. Exits with the vandal resistant frame and 20 year life are warranted for a maximum of 15 years.

### Code Compliance

UL 924 listed.

### Options

**BK** = Black Plastic Frame  
**WH** = White Plastic Frame  
**IF1** = Black Anodized Aluminum Vandal Resistant Frame<sup>1</sup>  
**IF5** = Brushed Aluminum Vandal Resistant Frame<sup>1</sup>  
**PW** = Polycarbonate Lens  
**AF** = Aluminum Frame

### Accessories

**PKITTRB** = Pendant Kit, Black  
**PKITTRG** = Pendant Kit, Gray  
**PKITTRW** = Pendant Kit, White  
**TPC-B** = Mounting Canopy, Black  
**TPC-G** = Mounting Canopy, Gray  
**TPC-W** = Mounting Canopy, White  
**WG4** = Wall Mount Wire Guard  
**WG10** = Side Mount Wire Guard  
**PCS1** = Polycarbonate Vandal Shield  
**TDRBRKT** = Bracket for End/Back Mount Aluminum Frame

NOTE: 1) Available on single face exits only. 15 year maximum life on vandal resistant frame. Unit comes standard with polycarbonate lens.
