Backpacker[®] MV

Now you can take your mobility on the road easily in your Sport Utility Vehicle with the Backpacker[®] MV from Silver Star Lifts and Ramps. It's the ultimate solution to lifting your powered mobility device into your vehicle, engineered specifically to be a perfect fit for a wide variety of popular vehicles including SUVs. Like all Silver Star Lifts, the Backpacker MV features all-steel construction and a protective finish, along with an industrial rated 12 volt motor and battery pack, and easy-to-use controls to combine rugged durability with safe, simple and reliable operation.

Note: The Backpacker[®] MV can lift all of the listed power chairs with contoured, Synergy[®] or Specialty seating. Please call Customer Service when requesting information about lifting with a power positioning system. Can fit into most SUV's and mini-vans with little or no vehicle modification, full-size vans require modification.

The information contained herein is correct at the time of publication; we reserve the right to alter specifications without prior notice.

Backpacker[®] MV fully loaded.

- One piece, fully assembled drive-on/drive-off platform
- Removable, front drive panel for easier serviceability
- New, adjustable wheel chocks on the platform surface
