DIY Doorbell Video Intercom™

Wallmount Intercom System

Safety security & convenience

The Swann DIY Video Intercom™ lets you to SEE, HEAR and SPEAK to visitors at your front door from the safety and comfort of your home. When your doorbell rings Swann DIY Video Intercom™ sends live B&W images of your visitor to the monitor. Simply pick up the handset and you can HEAR SEE and SPEAK to the visitor - without opening the door!

Swann DIY Video Intercom also features an electric lock option so you can open the door with the touch of a button*. So easy to use and install** simply plug Swann DIY Video Intercom in and see it work straight out of the box!

*Electric lock required - sold separately and available from most hardware stores

**May require cabling to be run through roof, carpet, skirting or ceiling.
