

## E36LC SERIES ELECTRIC RANGES

Model E36LC

### SPECIFICATIONS:

36" wide electric range, Vulcan-Hart Model No. E36LC. Stainless steel front, sides, back riser, plate shelf and 6" adjustable legs. Six 9 1/2" round French plates, 2 kW input per plate. Full width pull out crumb tray located beneath the cook top. Oven interior measures 26 1/4"w x 19 1/2"d x 13 1/8"h. Three oven racks and three rack positions. 5 kW input oven with thermostat adjustment from 150° to 500°F. Requires 208V or 240V, 1 or 3 phase power supply.

Exterior dimensions: 36"w x 38"d x 59 1/2"h on 6" legs

NSF listed. UL listed. UL listed to Canadian safety standards.

**SPECIFY VOLTAGE AND PHASE WHEN ORDERING.**

### STANDARD FEATURES

- Stainless steel front, sides, back riser, shelf and legs
- Six 9 1/2" round, 2 kW French plates with infinite heat control switches
- Full width pull out crumb tray
- 5 kW oven with thermostat adjustment from 150° to 500°F
- Cool to the touch control knobs
- Three oven racks and three rack positions
- Requires 208V, 240V, 1 or 3 phase power supply
- 1/4 H.P. blower motor
- One year limited parts and labor warranty

### OPTIONS

- 11" stainless steel back riser in place of standard back riser and shelf
- Extra oven racks
- Set of four casters (two locking)
- Marine features (contact factory)
- 480V, 3 phase (not available in 36" griddle model)
- Export voltages (220/380V; 3-phase 4-wire or 240/415V; 3-phase, 4-wire)
- Second year extended limited parts and labor warranty

### TOP OPTIONS

- 12" x 24" hot top sections, 5 kW input, in place of one French top section. Thermostatically controlled. NOTE: Hot top sections increase power consumption and line amp draw. Consult customer service for kW and line amp information when specifying or ordering units with hot tops.
- Choice of 12", 24" or 36" wide, 1/2" thick griddle plate in place of French plate sections. One thermostat provided for each 12" griddle width. Griddles are supplied on the right side only and add 3" to the overall width of the range. 36" griddle not available in 480V on convection models.

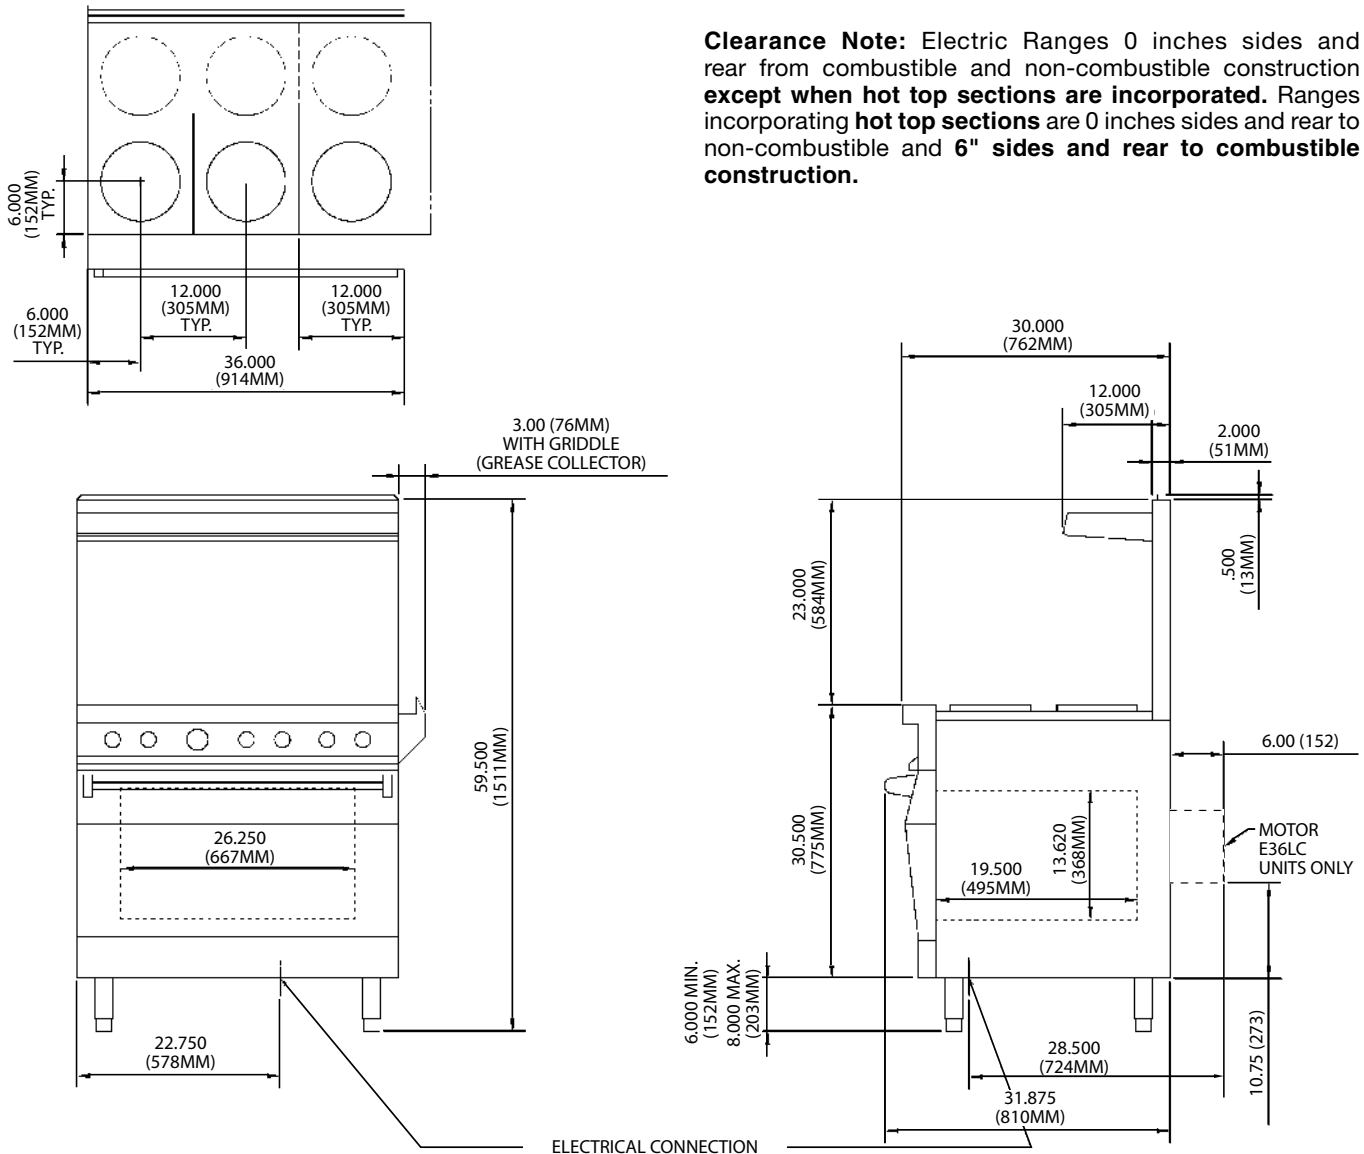

# E36LC SERIES

## ELECTRIC RANGES

This appliance is manufactured for commercial installation only and not intended for domestic/household installation.

**CLEARANCES FROM COMBUSTIBLE CONSTRUCTION:**  
Range only .....0" sides, 0" rear
