CLP-7200 Series Bar Code/Label Printer

The CLP-7200 series offers superior price performance and ease of use with precision form, fit, and function. Increased processing speed ensures no delay in even the most complex label or tag application. Citizen's unique metal Hi-Lift™ mechanism allows for easy access for loading of media or ribbons while the rugged heavy-duty steel cabinet and frame provide durability. The CLP-7200 Series prints in both thermal transfer and direct thermal mode and comes standard with internal parallel, serial, and USB interfaces.
