

Mow'n Machine FZ FE

WOODS FZ AND FE-SERIES FRONT-MOUNT ZERO-TURN RIDING MOWER

The Woods front-mount mower—absolutely the best riding mower in its class!

Built to full commercial standards, and built tough, the longer wheel base and better weight distribution featured on our FZ and FE-Series, provides operators with an exceptional ride and ease of control on long straights, unlike most commercial units. And with the outfront deck, cutting under objects such as shrubs becomes a snap.

For the discriminating user seeking easy operation and excellent cut quality, these units offer all the benefits of our entire Mow'n Machine line, coupled with the premium features customers expect from Woods.

Woods model FZ23B with Chevron tires and PowerTilt option.
