Battery Installation

Shown Actual Size

- Locate the battery compartment on the bottom of the toy.
- Loosen the screws in the battery compartment door with a Phillips screwdriver. Remove the battery compartment door.
- Insert three LR14 ("C") **alkaline** batteries.

*Hint: We recommend using **alkaline** batteries for longer life.*

- Replace the battery compartment door and tighten the screws with a Phillips screwdriver. Do not over-tighten.
- When sounds, or motions from this toy become faint or stop, it's time for an adult to change the batteries!

Battery Safety Information

Batteries may leak fluids that can cause a chemical burn injury or ruin your toy. To avoid battery leakage:

- Do not mix old and new batteries or batteries of different types: alkaline, standard (carbon-zinc) or rechargeable (nickel-cadmium).
- Insert batteries as indicated on the battery compartment door.
- Remove batteries during long periods of non-use. Always remove exhausted batteries from the toy. Dispose of batteries safely. Do not dispose of batteries in a fire. The batteries may explode or leak.
- Never short-circuit the battery terminals.
- Use only batteries of the same or equivalent type, as recommended.
- Do not charge non-rechargeable batteries.
- Remove rechargeable batteries from the toy before charging.
- If removable, rechargeable batteries are used, they are only to be charged under adult supervision.

Five Sides of Busy Play!

- Locate the power/volume switch on the bottom of the toy.
- Slide the switch to the desired position: off , on with low volume  or on with high volume .
- When your child is finished playing with the toy, slide the power/volume switch to the off  position.

Spin & Learn

- Place any of the eight special blocks upright in the centre of the carousel and press down. Hear about what's inside of each block followed by a fun sound effect!

Note: The block recognition feature only works with the eight blocks included with this toy. Using other Peek-a-Blocks™ produces only a sound effect.

- Press the action button to hear a fun tune and see the carousel spin around with flashing lights.

Five Sides of Busy Play!

Stack & Spill

- Drop blocks into each of the three channels to hear a song or a fun sound effect.
- Press the lever and watch the blocks spill out!

Drop & Tumble

- Drop the blocks through the top and watch them tumble.

Five Sides of Busy Play!

Sort & Store

- Baby can drop the blocks through the side openings.
- Store up to 30 Peek-a-Blocks™ (only eight included with this toy) inside the large compartment.

Plug & Play

- This side features bold patterns, fun animals and a large mirror.
- Plug blocks into either of the square openings.

Decoration

- Apply the labels as shown in the illustration.
- For best results, wash your hands before applying the labels and make sure the areas to which the labels will be applied are clean and dry. Avoid repositioning a label once it has been applied.

Care

- Wipe this toy with a clean cloth dampened with a mild soap and water solution.
- Do not immerse this toy.
