OS Compatibility	Windows 98SE, Windows ME, Windows XP, Windows 2000, Windows Vista, MAC OS 9.0 or higher
Weight	3.08 lbs (1.4 kg)
Warranty	1 year

FAQ

How does the Stand connect to the laptop?

The connection from the Stand to the laptop is made with a high speed USB 2.0 link cable – it's included with the product.

How do you type on the laptop when it's in the Stand?

The Stand is designed for use with an external keyboard and mouse. You can plug them into any of the Stand's 4 USB 2.0 ports.

Will it hold a 17" laptop?

YES. The Stand is engineered to hold more than 30 lbs of weight and supports laptops that are less than 1.75" thick.

Is excessive heat bad for my laptop too?

Yes. Excessive heat build-up can damage your laptop and slow down your computer's processing speed.

Does the fan have an on/off switch?

Yes

WHY TO BUY

- **universal** – works with all laptops running 98SE, ME, 2000, XP, XP Pro, Vista and even Apple Mac's, PowerBooks and iBooks.
- **superior value & features** – includes laptop cooling fan, USB ports for docking, improved comfort via proper screen height positioning, desk space savings, enhanced laptop cooling, 360° swivel ... for 50% less than a typical port replicator or docking station.
- **it's just plain cool** – stunning, award winning design functions as good as it looks
