SECURITY DOME CAMERAS CV D100/200

Clearvu (CV) is SVAT's line of wired products. There are many different applications of the Clearvu and most of the Clearvu products are compatible with each other.

SVAT's Clearvu CVD100/200 is a great surveillance system that consists of one camera (with audio) and 60ft of cable. You can vertically adjust the tilt of the camera up or down. It is ideal for offices, stores, or retail outlets and can be connected to a VCR for recording.
