A compact notebook case with trolley system

The MobileBusiness is the perfect companion on business trips. With a simple action the notebook case can be turned into a trolley bag.

The lockable notebook compartment is cushioned with High-Density Foam and protects the notebook perfectly. There is a main compartment with storage room for a folder and documents, and additional paper can be placed in the integrated two-fold document compartments. The workstation in the front pocket creates order for mobile phone, pens, business cards and more, Travel papers can be placed in an easy-to-access zip-locked compartment. Power supply units and cables can be stored in the compartment specifically designed for this purpose.

The easy rolling wheels can be easily replaced should they get damaged in transit.

The modern material mix, glossy black interior padding and high-quality zips make the MobileBusiness a real eye-catcher!
