Model #: P945-06I

Computer Cable, SATA - 6-in. Serial ATA Power Adapter/Ext Cable - 4pin/4pin + 15pin SATA

Highlights

- Connects SATA drive to internal power source
- Supports most current version of Serial ATA
- Meets the newly released updates and listed in Errata 029
- Supports a data transfer rate of 150-MBps

Description

Tripp Lite expands its line of hard drive cables with the introduction of our new line of Serial ATA cables. The Serial ATA power cable connects any Serial ATA drive to any standard internal power connector. These new hard drives are perfect for the desktop or server that has multiple drives. This cable offers easy installation and comes with 15 pin/(x2)4 pin male connectors. Tripp Lite warrants this product to be free from defects in materials and workmanship for life.
