

CHAIN SAWS

SP 338

Stiga SP 338 Petrol chain saw

Hobby petrol saw ideal for the domestic user.

The design of the saw is adapted for good ergonomics, with non-vibrating handle for long periods of work. The upright cylinder creates a good working balance.

The SP 338 has a high safety with double acting chain brake protection as well as large chain protection cover for front-hand.

The saw is easy to start with fuel primer, automatic choke and electronic ignition system. Bar 40 cm - 16".
